

## SAJID ULLAH

FRONTEND WEB DEVELOPER  
& UX UI DESIGNER

### Client Feedbacks

Kyle Wilson ★★★★★

I would definitely recommend Sajid. He is prompt, good at communicating, and has great attention to detail. I would definitely hire him again.

Jacob Hershberg ★★★★★

Sajid is an outstanding React developer. Diligent in his work, and meets deadlines. Will hire again.

Joshua Toenyes ★★★★★

Sajid is knowledgeable and easy to communicate. Great experience!

Guy Kedar ★★★★★

Sajid is super smart and easy to work with.

Meera ★★★★★

Sajid is an excellent freelancer with superb attitude and he is extremely responsive. His dev skills combined with a decent proficiency in design makes him unique. I'll definitely work with him again on future web development projects. 100% recommendable.

## ABOUT ME

As an experienced front-end developer with strong problem-solving skills, I have a proven track record of success working with international clients and enterprises. My passion for the field is evident in my consistent pursuit of certified courses and daily practice over the last seven years. This has enabled me to stay up-to-date with the latest technologies and trends and deliver exceptional web experiences.

My communication and project management skills enable me to collaborate effectively with clients and team members. Overall, I am a dedicated front-end developer committed to delivering high-quality solutions and exceeding expectations.
